SIDE^BY^YSIDE

The Mission of Side by Side is to walk with youth impacted by adversity toward a future with connection and meaning. For over 130 years, our organization has been at the forefront of best practices in child welfare programs. Today, Side by Side operates various programs in Alameda, Marin, Napa, and Sonoma counties, providing much-needed services related to behavioral and mental health counseling, early intervention in schools, LGBTQIA+ support, transitional housing for foster youth, and special education.
